Now your Mage Wars Battles® can go where you go with the new, portable, Arena Playmats from Arcane Wonders!

Straywood Forest Playmat Pictured

Mage Wars® Arena Playmats provide players a new look, new feel, and more portability for the winning game! These new soft, neoprene playmats are the perfect accessory for any Mage Wars® player to add to their collection!

Choose from three (3) beautiful and exciting designs: Each playmat sold separately in full color packaging.

-  **Salenia Playmat:** Bright and "Roman-esque" look with an image of a downed dragon on the battlefield!
-  **Westlock Playmat:** Original game board design with a treacherous dungeon look and feel!
-  **Straywood Forest Playmat:** NEW design and the image that comes in the new Arena Core Set! Home of the Straywood Beastmasher; nature rises!
