The gloves are off and the gauntlets are on! *Implements of Destruction™* is Boss Monster's first expansion since *Tools of Hero-Kind™* to feature the popular **Items** cards! Items attach to Heroes as they come into town, granting them powers and bonuses and making them much tougher to slay.

Implements of Destruction™ features 5 new Bosses and 24 new Items. It's playable with Boss Monster or Boss Monster 2, and it includes Explorer Items for your customers' 5-6 player *Boss Monster: Crash Landing™* games!

Boss Monster: Implements of Destruction will make its debut this June, and will be available for pre-order in April and May.
