

CALL TO Adventure

Choose your Path. Craft your Hero. Claim your Destiny.

From the team that brought you **Boss Monster** comes an all new, epic adventure.

Call to Adventure is a **Hero-building Game** where players craft their heroes by acquiring traits and abilities, facing challenges, gaining allies, and vanquishing foes. While each hero will have an epic story, only one will win: the player with the most Destiny points!

Each game begins with a different Origin, Motivation, and Destiny, for each player. **Every game they play will be different.**

Infinitely expandable, Call to Adventure takes players on a journey into the fantasy stories they've grown up with and love.
