Dungeon Lords is a game for 2 to 4 aspiring Dungeon Lords. You get to dig tunnels, mine gold, hire monsters, create traps and care about all the things a proper dungeon needs. It is not easy, as the competition for resources is stiff and sometimes you have to get a bit evil to get what you want – and the more evil you get, the stronger the adventurers your dungeon attracts.

Twice a game, these adventurers set off to conquer your dungeon. Command your monsters and use your traps to stop them, before they do too much damage.

In the end, you score based on your achievements: constructing and defending your dungeon, and perhaps winning some prestigious titles.
