

GO ON AN ADVENTURE WITH YOUR NEW BEST FRIEND!

The evil witch, Vexia, has taken up residence in the Magical Gardens of Arcadia and has been sending out her animal minions to lure pets back to her hut. Vexia is well known for her animal experiments, and the Gardens are a perfect place to continue her mad research.

Arcadia Quest: Pets is one of the cutest expansions ever designed. Players add Pets to their Guild, each with their own miniature and dashboard. With twelve different animals up for adoption, players can choose from amazing new friends, like Puff the Dragon, Padfeet the Wolfie, and Rawr the Lion.
