THE OTHERS: APOCALYPSE

The apocalypse isn't coming; it's here. *The Others* pits brave heroes against the Seven Deadly Sins to stop the end of the world. If that wasn't bad enough the four signs of end times have arrived. The Apocalypse Box contains five new big figures: Pestilence, Famine, War, Death and the physical embodiment of the Apocalypse itself. This expansion adds a new Apocalypse track that counts down, adding new avatars to the board as the end draws closer. The need for heroes has never been direr.

*This is an expansion. *The Others* core box is required to play.
