

VAULT OF DRAGONS™

BLESSING OF THE GODS CLERIC EXPANSION SET

The temples of Waterdeep are as numerous as the gods of the realms. From gilded temples frequented by nobility to chilling altars deep underground, divine power courses through the foundations of the city.

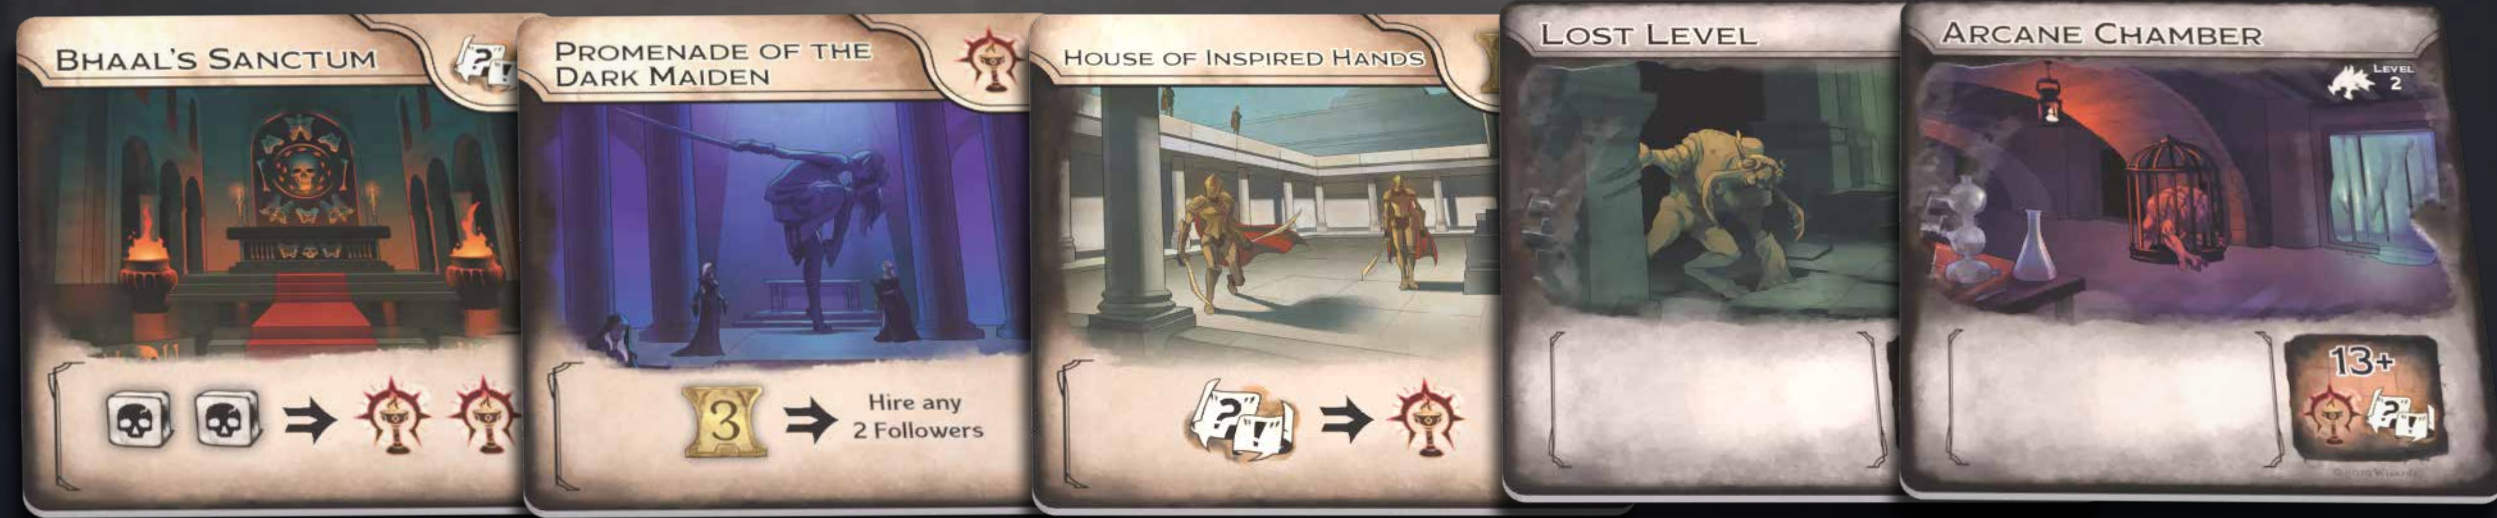

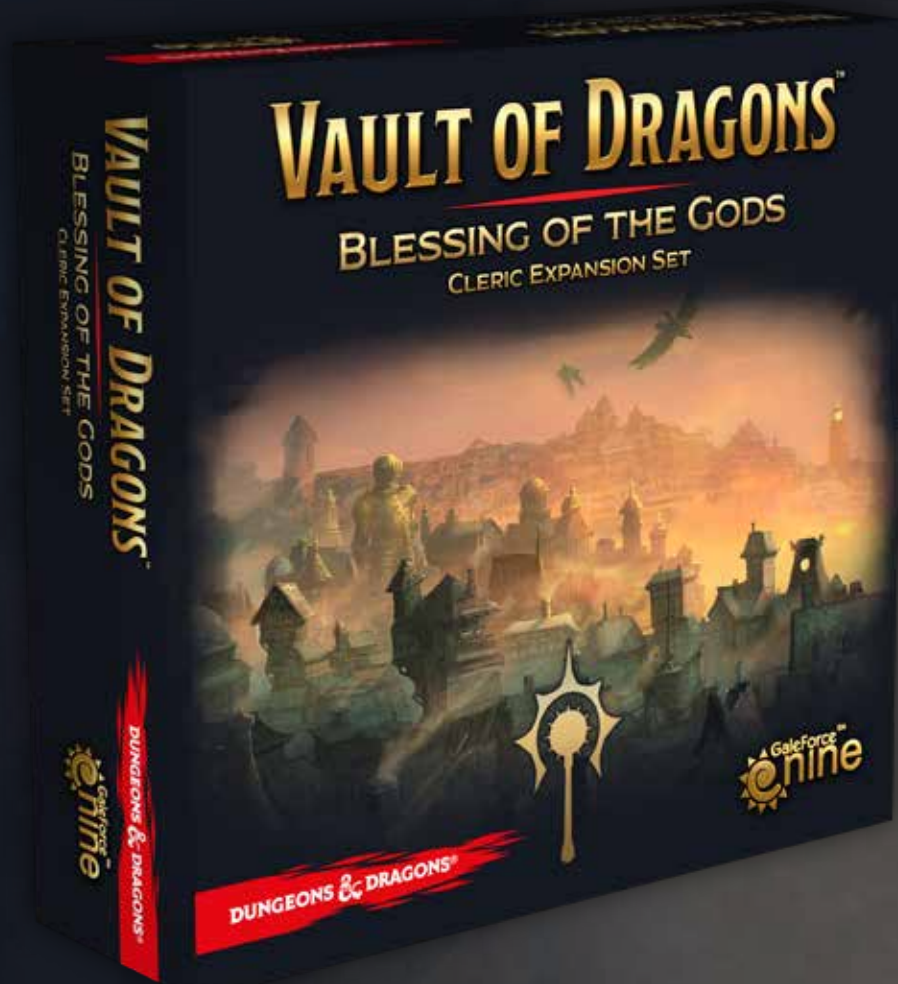

This expansion adds Clerics, Blessing Tokens, and five new Dungeon/Location tiles to your game of *Vault of Dragons*™.

Included are:

- | | |
|--------------------------|-------------------|
| 5 Double-sided Locations | 8 Plastic Figures |
| 10 Treasure Cards | 4 d8 Dice |
| 10 Magic Item Cards | 18 Tokens |
| | 1 Rules Insert |

Each player gets a male and female cleric, as well as a d8 in their faction colour.

Five double sided locations tiles give you six more locations to add to your city, and four more levels to the Undermountain.
