DOCTOR WHO NEMESIS

DEFEAT THE DOCTOR - RULE SPACE AND TIME

*Have you got what it takes
to remake the universe?*

Can you defeat the meddling Doctor?

*Will you finally triumph
for all time?*

It's not easy trying to rule space and time, contending with rival Daleks and Cybermen, interfering Time Lords, and predatory Weeping Angels.

There are worlds to move, realities to destroy, time wars to win, a cyberium to find and Gallifrey itself for that matter too, paradoxes and the endless schemes of the Doctor and the Master to unravel.

In **Doctor Who: Nemesis**, you play one of the Doctor's many adversaries seeking to twist space and time to your own ends.

Your old nemesis, the Doctor, endlessly seeks to thwart your plans. Worse still, his other adversaries have their own schemes, and they don't involve you controlling everything.

You must send your minions out to thwart both the Doctor's and your opponents' schemes, while bringing your own schemes to fruition.
