

Historic Autographs is releasing our popular Retrograph series in a new format. Unlike the previous series, the **2024 HA Retrograph 3** will be sold as a single-pack product. **Historic Autographs** is confident that the new format will correct the collation issues that some experienced with the last release. Hall of Famer autographed cards pull rate is 1:8 packs. Some of the key cards have been authenticated by BAS, Fanatics or PSA and can be obtained via redemption.
