## KING OF THE PRIDE

**GAME DESIGN BY DARYL ANDREWS & ERICA BOUYOURIS**  
**ART BY VINCENT DUTRAIT**

In the wilds of Africa, lion prides rule over all beasts, but only one pride can rule over all the lions! In Roar: King of the Pride, 3-6 players compete to become the dominant pride of Africa. Managing your food supply, while expanding your territory and growing your pride size with cubs, will take strategic planning and key wits. Even the best-laid plans, however, can be interrupted by other prides' secret objectives, or worse... the encroachment of a new, and deadly, threat.
