ZOMBIE KIDZ

IT'S ZOMBIE HUNTING TIME!

Strange creatures are on the prowl at the nearby cemetery. Of course, the adults don't believe you. So you and your friends will have to band together and take care of the problem yourselves.

Be smart as you and your friends move around the cemetery because you never know where a zombie will appear. Chase all the zombies away or lock all the gates to the cemetery and you and your friends will save the town!
