

Oh My Goods!™: Longsdale in Revolt

MFG3523

A Game by Alexander Pfister

GAME TYPE: Card game, resource management, engine building, story telling

INTRODUCTION

Riots are spreading in the capital Longsdale as well as rumors that there could soon be a war. The king needs your help. Find out alone or with up to four players how this story unfolds, as told in this new expansion. Your decisions might even be able to turn fate in a new direction...

Oh My Goods!: Longsdale in Revolt, an expansion for Oh My Goods!, consists of five chapters that together tell a single story. The length of the game is now not fixed, but depends on the current chapter, which has an event deck that will be compiled differently each time you play.
