NEW RELEASE ANNOUNCEMENT

MFG4103 The Pillars of the Earth \$49.00

At the beginning of the 12th Century, Prior Phillip of Kingsbridge has a glorious vision: to build the largest, most beautiful cathedral in England. To accomplish this feat, he has recruited the most gifted craftsmen in the kingdom. But the fate of the cathedral is constantly threatened by catastrophe and political opposition! Can you overcome these obstacles and prove yourself the greatest builder of them all?

The Pillars of the Earth is based on Ken Follett's best-selling novel of the same name. "I must admit, I had never imagined that 'The Pillars of the Earth' would one day be honored as a board game. Of course, it plays great and we've all had a lot of fun with it."
- Ken Follett

The Pillars of the Earth includes 138 wooden playing pieces, a 6 piece wooden cathedral model, 75 playing cards, a fully mounted board, 1 die, and a cloth bag.

Designed by Michael Rieneck & Stefan Stadler. Made in Germany. For 2-4 Players, 12 and up.
