

## The New Wonder from Antoine Bauza!

Tokaido is an exciting new game of smart moves and collections.

Move wisely and visit the most places as possible to gather sophisticated souvenirs, meet surprising people, contemplate sumptuous vistas, rest in the tranquility of the hot springs, taste the countless culinary delicacies that will astonish your palate or donate to the shrine to benefit from the goodwill of the gods...

Time will be your best means to remain clear-sighted, methodical and patient so that you don't miss anything on this unique route but instead can fully savor the experience the Tokaido has to offer!

### Key Selling Points

- From the designer of 7 Wonders
- Gorgeous artwork and graphic design
- Point-to-point movement, set collection mechanic
- Easy to learn, but full of strategic choices

### Marketing Support

- Featured on the Passport Game Studios website, Twitter account and Facebook page
