Unspeakable Words™

The Call of Cthulhu Word Game!

7" x 10.5" x 2.75"

Item #: PLE26100

Deep in the corners of letters, the Hounds of Tindalos wait for the unsuspecting in Unspeakable Words, the Call of Cthulhu Word Game.

In this devious game, based on the literary works of H.P. Lovecraft, use your hand of cards to form words to score, determined by the number of angles in the letters. But you must be careful, because every misstep could cost you, since you must test the strength of your mind against each word's point value by rolling a 20-sided die.

Succeed, and you're safe, for now...fail, however, and you take one step closer to madness! Can you keep your sanity long enough to win this horrifically fun word game?
