SELLING POINTS

- The battle with Cell comes to an action-packed conclusion in Dragon Ball Z: Awakening! The Earth's greatest heroes battle against the villainous, perfect weapon in an elimination-style tournament, the Cell Games.
- Introduce new players into the game with six different tournament-legal, pre-constructed starter decks. Each starter deck includes a 60-card deck, 4 parallels and 6 Prizm technology cards (4 Personality cards, a Mastery and a random parallel). Look for popular heroes such as Goku, Gohan, Trunks and more, as they battle against Cell.
- Booster packs feature more than 140 brand-new cards that provide players with powerful tools for each deck type. Look for Ultra Rares (every other box, on average) and Dragon Rares (1 per box, on average) that pack the ultimate punch and also bring back some popular cards from older sets.
