For Harry Potter the best part of being a wizard is flying. This new Q-Fig from the Wizarding World features a smiling Harry on his broom atop a sculpted air current. A spell bursts from his wand and Harry's robe and scarf flutter behind him as the wind rushes past blowing up his hair revealing the lightning scar on his forehead.

"First Flight" ships in a branded box with windows on three sides for ease of display.

**\*\*Territory restrictions are subject to change. For an updated list of restrictions, please contact your sales account representative. Failure to comply with the terms of our agreement with result in termination of partnership.**
