

Uwe Rosenberg
BOHNANZA
THE DUEL

In this brand-new addition to the hugely popular game, two players grow various varieties of beans and harvest them to earn Gold coins. Each player can “gift” their opponent beans they don’t want (and their opponent may not want!). Bohnus cards help earn additional Gold coins if the players can plant specific beans in specific orders in their bean field. The player who earns the most Gold coins wins.

Contents:

- 2 Bean fields
- 32 Bohnus cards
- 8 Gift cards
- 104 Bean cards in 8 varieties
- 1 Rulebook

Stock#: RIO547
