

# KANBAN: DRIVER'S EDITION - a new *Limited Edition* for 2018

You work in a factory focused on lean production. You must impress Sandra, the factory manager, who will review your performance, and keep the factory ticking like a clock. Depending on the gameplay experience you want, you set the difficulty level as either "Nice Sandra" or "Mean Sandra" mode, an easy-going or tough boss!

*Kanban: Driver's Edition* is a **Limited Edition** of the critically acclaimed *Kanban: Automotive Revolution* released in 2014. **This game will not be reprinted after 2018.**

*Kanban* is designed by the famous game designer, Vital Lacerda. Due to Mr. Lacerda's amazing work in the game industry, Stronghold Games is proud to place this game in *The Great Designers Series*, which recognizes the most renowned game designers in the world. *Kanban: Driver's Edition* is #9 in *The Great Designers Series*.
