

ASTRO DRIVE

2-4 PLAYERS 20 MIN AGES 8+

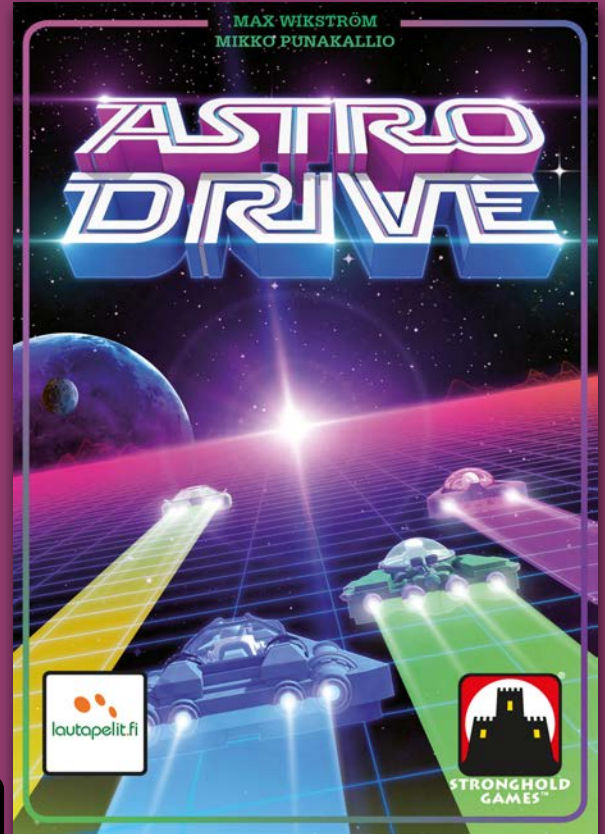

5" x 7" x 1.4" (12 per case)

Are you the fastest pilot in the galaxy? You can prove it in **Astro Drive**! Blast through space using tractor beams and wormhole generators. Avoid the black holes and reach the finish line first. Easy.

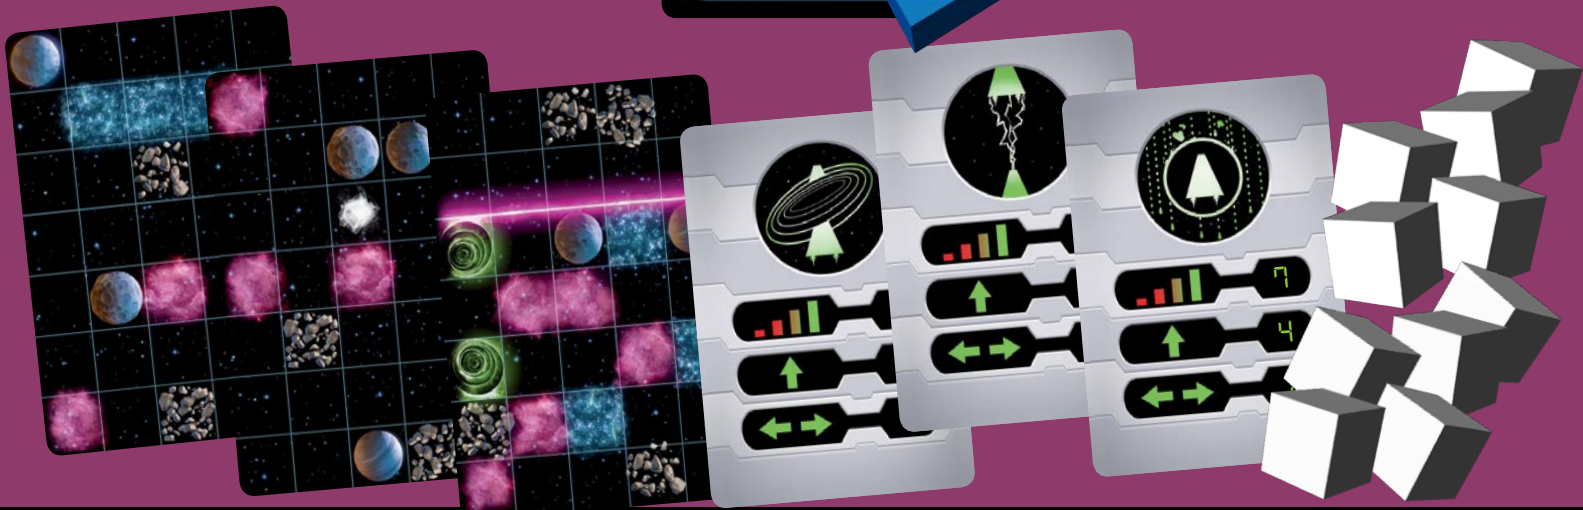

In **Astro Drive** you pilot your spaceship through maps that are randomly revealed. Use energy cubes to move your ship or put up a forcefield. Be careful of Space Fog, Asteroids, and Black Holes! Wormholes can teleport you forward, but crashing into a Planet can end your game!

Be the first to cross the Finish line without crashing, become the fastest pilot in the galaxy, and the winner of **Astro Drive**!
