

CATCHING FIRE

CATCHING FIRE™ Seeds of Rebellion Board Game

Ever since you were eligible for the Reaping the Peacekeepers had their eye on you — the food supplies that went missing, the graffiti denouncing the Capitol— they had a good idea it was you. Until now, you thought it best to steer clear of open conflict. But, the whispers for volunteers to help the rebellion made it clear it was time for you to take action. When you finally reached the leaders of the rebellion your reputation had preceded you. Glad to have your skills, they immediately assigned you to your current mission— to set up secret bases throughout Panem. If you are successful, your efforts will ensure at least a chance for the rebels to make a difference. Fail and they won't stand a chance...
