DISTRIBUTOR FACT SHEET
ITEM ORDER NUMBER: 83881

If you're looking to get some additional value with *Cybernetic Horizon*, look no further than the *Cybernetic Horizon Special Edition*! Each box includes 3 booster packs of *Cybernetic Horizon*, along with 1 of 2 Super Rare variants of sought-after cards as well as 1 of 2 Super Rare variant preview cards from the upcoming Fall 2018 booster set!

Past and present collide in *Cybernetic Horizon*, the first 100-card booster set of the 2018-2019 Dueling season! This set modernizes popular themes from the *Yu-Gi-Oh! GX*, *5D's*, and *ZEXAL* eras, provides brand-new Link Monsters, and new cards to bolster strategies introduced in *Code of the Duelist*, *Circuit Break*, *Extreme Force*, *Flames of Destruction*, *Dark Saviors*, and more! Here's just some of what you have to look forward to!

- Upgrade your Cyber Dragon Deck for the new era of Dueling! **Cyber Dragon** returned in last year's *Legendary Dragon Decks*, and *Cybernetic Horizon* includes brand-new cards for Cyber Dragon Decks, including a Link Monster that grafts its 2100 ATK on to other Machines!
- Famous Ritual Monsters return! **Demise, King of Armageddon** was once the king of competition. Now, new forms of Demise as well as **Ruin, Queen of Oblivion** tell the tale of these memorable monsters. You'll also find Cyberse Ritual Monsters, and new cards to help assemble the required components of a Ritual Summon without spending your all-important Normal Summon for the turn!
- A speck of dust on a camera lens, or a monster hiding in plain sight? Monsters have allegedly walked, swam, and flown among us since the beginning of recorded history, but no one has been able to produce solid evidence of their existence – until now! These monsters lurk in your hand and force your opponent to try and discover them. If they fail, the monster is Summoned to your field and you draw a card!

You can also find new cards for strategies like Mekk-Knight, Neo-Spacian, Dragunity, Noble Knight, Sky Striker, and more!

Each *Cybernetic Horizon Special Edition* contains: 3 *Cybernetic Horizon* booster packs, along with 1 of 2 Super Rare variants of sought-after cards as well as 1 of 2 Super Rare variant preview cards from the upcoming Fall 2018 booster set.

Keep watch on the Yu-Gi-Oh! TRADING CARD GAME product page as we unveil the variant cards that will appear in the Special Edition!
