RIVALS OF THE PHAROAH

The greatest Duelists attract the most fearsome foes, and the legendary Pharaoh is no exception! *Duelist Pack: Rivals of the Pharaoh* is packed with cards used by and inspired by the Pharaoh's toughest opponents and their most exhilarating Duels from the original *Yu-Gi-Oh!* animated series.

Sometimes a friend, more often an enemy, billionaire Duelist extraordinaire Seto Kaiba pushed the Pharaoh to his limits from the very first episode. His **Blue-Eyes Ultimate Dragon's** signature move, **Neutron Blast**, is now a Spell Card that lets your own **Blue-Eyes Ultimate Dragon** attack 3 times in a turn – once for each head – without interruption! Duelists can also use knowledge of their own greatest rivals to their advantage with **Lullaby of Obedience**, a one-of-a-kind Spell Card that lets you play any monster you can name from your opponent's Deck!

When the dust settled on the Battle City Tournament, it became apparent that Yugi's mild-mannered schoolmate Bakura, possessed by the evil spirit of the Millennium Ring, was the Pharaoh's true enemy all along. Fans have been requesting Bakura's **Dark Sanctuary** Field Spell for over a decade, and now it's finally here! While **Dark Sanctuary** is in play, every attack your opponent makes has a 50% chance of backfiring completely and damaging your opponent, plus you can also use your Monster Zones to complete the **Destiny Board's** terrifying message and win the Duel automatically!

To free the Pharaoh's soul from eternal imprisonment in the Millennium Puzzle, Yugi had to defeat him in one climactic Duel in Egypt. Yugi's Silent Swordsman and Silent Magician monsters from that Duel represented his own personal growth throughout the original series, and now, 10 years later, those monsters have grown up too! These new monsters can shush Spell Cards while their Attack Points grow and grow throughout the Duel, eventually becoming strong enough to take down even the toughest monsters Dueling has to offer.

Last but certainly not least, you'll even find cards used by Maximillion Pegasus and Marik Ishtar, the Pharaoh's final opponents from Duelist Kingdom and Battle City, respectively.

Duelist Pack: Rivals of the Pharaoh contains 11 brand-new cards, and 46 cards in all: 24 Commons, 10 Rares, 6 Super Rares, and 6 Ultra Rares.
