FRENCH DISTRIBUTOR BOOSTER FACT SHEET

ITEM ORDER NUMBER: 84256

Join the quest to obtain overwhelming Dueling power with *The Infinity Chasers*, Winter 2019's 60-card, all-foil booster set! Duelists looking to pick up a new strategy should look no further, as *The Infinity Chasers* introduces 3 new strategies with their own unique gameplay styles. Here's a brief overview of what you can find!

Construct your own ultimate dueling machine! Take command of a fleet of industrial-strength Machine monsters that combine to unleash unlimited power. You can link them up side by side, stack them on top of each other, or both – anything goes! Your Summoning options aren't restricted even if you use the powerful combination abilities of these Machines, so keep your favorite Xyz Monsters in mind as well because you might just discover a great new way to use them!

Skilled craftswomen that enhance their creations with a touch of magic! Perfection takes time, and this strategy is all about deflecting attacks from enemy monsters while carefully sculpting the perfect hand and field, then blowing your opponent away with your completed masterpiece! This Deck employs lots of Spellcasters and can make use of many of the existing Spellcaster-related cards, like **Spellbook of Knowledge**.

Servants of the forbidden evil eye clash beneath the pale moon! These terrifying combatants and their familiars draw their power from a source of unfathomable evil that threatens to consume them at any moment. This strategy employs an unusual style of play that's highly rewarding but requires you to conform to a specific gameplay condition, similar to the Sky Strikers of *Dark Saviors*.

All the basic cards for each theme are in this set, along with some additional cards to help support them, so it's a great starting point for building many different Deck strategies!
