"Exodia, obliterate!" The words that ended Yugi's first Duel in the original animated series are just the beginning in *Legendary Decks II*. *Legendary Decks II* traces the journeys of Yugi, Kaiba, and Joey from Duelist Kingdom to Battle City and beyond, with three unique Decks that let you employ each of your greatest strategies!

Each *Legendary Decks II* box set includes:

- 43-card Deck based on Yugi and his unstoppable Exodia, the **Forbidden One**. For the first time in more than 8 years, brand-new cards to help assemble the five pieces of Exodia are included! This Deck ALSO contains all 3 playable versions of the Egyptian God Cards, available together in one place for the first time ever!
- 43-card Deck based on Kaiba and his legendary engine of destruction, **Blue-Eyes White Dragon**! For Seto Kaiba, might always made right, so this Deck is packed with powerful monsters and destructive Spell and Trap Cards!
- 43-card Deck based on Joey and his ferocious **Red-Eyes B. Dragon**! No one grew more as a Duelist and a person during the original series than Joey, so this Deck includes cards that grow and change from turn to turn like **Red-Eyes Black Flare Dragon** and **Red-Eyes Archfiend of Lightning**.
- 3 brand-new Secret Rare cards to enhance Decks built around **Dark Magician** and **Dark Magician Girl**: **Eternal Soul**, **Dark Burning Attack**, and **Dark Burning Magic**.
- 3 Ultra Rare Token Cards. Each one depicts one of the three legendary Duelists of the original animated series with their signature monsters!

What if Weevil never threw Yugi's Exodia cards overboard? Is there any way Kaiba could ever lose to Joey? Would Joey have been able to defeat all 3 Egyptian God Cards like Yugi did? With *Legendary Decks II*, players and fans of the original series can try out these fantasy scenarios while also grabbing cards that can power up strategies introduced in *Clash of Rebellions*, *Breakers of Shadow*, *Shining Victories*, *The Dark Illusion*, and *Duelist Pack: Rivals of the Pharaoh*!
