DISTRIBUTOR BLISTER FACT SHEET
ITEM ORDER NUMBER: 83220

The walls between dimensions are collapsing and the supreme king of destruction will rise in *Maximum Crisis*, May's all-new 100-card booster set! *Maximum Crisis* is the climax of the 2016-2017 Dueling season, introducing three new themes as well as bold new cards for a wide variety of popular Decks.

Pendulum Summoning will undergo its final evolution in *Maximum Crisis* with a pair of Pendulum Monsters with Scales of 0 and 13, opening up the ability to Pendulum Summon monsters of *any* Level in *any* Deck! But that's not the only type of Summoning that's evolving. Following up on February's *Fusion Enforcers* set, *Maximum Crisis* introduces a new Fusion Summoning Spell Card that lets you keep your Fusion Monster while giving back the monsters you just fused together!

Here's a brief overview of what else you can expect in *Maximum Crisis*:

- The dawn of the "True Draco" monsters! These monsters can be Tribute Summoned using Continuous Spell/Trap Cards instead of monsters, and their Continuous Spell/Trap Cards have multiple effects depending on whether you just activate them or Tribute them.
- A brand new way to win a Duel! Even if you can't damage your opponent with this new theme's ace monster, if you can power it up enough, destroying 3 of your opponent's monsters with it will automatically end the Duel!
- New Winged Beasts that fly over enemy monsters for fast direct attacks and effects that inflict damage.
- Individually powerful cards to cover a variety of common situations in everyday Dueling.
- The mastermind behind the global plot has been revealed, and SPYRAL embarks on its final mission to take him down!
- All is not yet lost! The final battle against the Subterror Behemoths begins... and the Subterror Nemeses receive help from an unlikely source!
- Cards that boost Decks and themes from *Fusion Enforcers*, *Raging Tempest*, the *Pendulum Domination Structure Deck*, *Invasion: Vengeance*, *The Dark Illusion*, *Shining Victories*, *Wing Raiders*, the *Master of Pendulum Structure Deck*, *High-Speed Riders*, and more!

The *Maximum Crisis* booster set contains 100 cards: 48 Commons, 20 Rares, 14 Super Rares, 10 Ultra Rares, 8 Secret Rares.
