YU-GI-OH! SAVAGE STRIKE SPECIAL EDITION

FRENCH DISTRIBUTOR FACT SHEET
ITEM ORDER NUMBER: 84176

The *Savage Strike Special Edition* is jam-packed with value! Not only does it include 3 booster packs of *Savage Strike*, each box is guaranteed 1 of 2 Super Rare variant cards, as well as 1 of 2 Super Rare preview cards of non-foil cards from the upcoming Spring 2019 booster set!

Heat things up this winter with *Savage Strike*, the first 100-card booster set of 2019! *Cybernetic Horizon* revitalized Ritual Summoning, and *Soul Fusion* created powerful Fusion Summoning strategies. Now, *Savage Strike* is primed to do the same for Synchro Summoning strategies! Here's a taste of what you'll be seeing when *Savage Strike* launches on February 1st.

Synchro Summoning crashes into the VRAINS!

Duelists closely following the simulcast of Yu-Gi-Oh! VRAINS know that Synchro Summoning has made its first appearance in the latest Yu-Gi-Oh! anime! The first Synchro Monsters from the series will make their real life debut in *Savage Strike*!

This winter belongs to the undead!

Following on from *Hidden Summoners* and *Structure Deck: Zombie Horde*, *Savage Strike* introduces even more Synchro-based Zombie monsters. The Shiranui theme has been inexorably linked to Zombie Decks since the original release of **Shiranui Solitaire**, and now it returns in force with both a new Synchro Monster and a new Link Monster that pay dividends in Zombie Synchro strategies!

Return to Neo Space!

Elemental HERO Nebula Neos and **Neo Space Connector** were just the beginning! More new cards to power up Decks based on Jaden's **Elemental HERO Neos** are on their way in *Savage Strike*! You can also find the basic cards you need to build a Neos Deck in *Battles of Legend: Relentless Revenge* and *Shadows in Valhalla*.

And that's not even half of what awaits you in *Savage Strike*! You can also find a card that annihilates your opponent's hand and field if they negate a Summon or the activation of a card or effect, a Spell that lets you trade part of your Extra Deck for card drawing, new "T.G." monsters, and more!

Each *Savage Strike Special Edition* contains: 3 *Savage Strike* booster packs, 1 of 2 Super Rare variant cards and 1 of 2 Super Rare preview cards from the Spring 2019 booster set.

Keep watch on the Yu-Gi-Oh! TRADING CARD GAME product page to find out what variant and preview cards will be included in the Special Edition! <http://www.yugioh-card.com/en/products/se-sast.html>
