

# YU-GI-OH! STRUCTURE DECK – MACHINE REACTOR

# YU-GI-OH! STRUCTURE DECK – DINOSMASHER’S FURY

DISTRIBUTOR FACT SHEET  
ITEM ORDER NUMBER: 83277

Technology vs. Tyrannos! Take part in the ultimate battle between man-made monstrosities and the greatest predators nature has ever produced with the *Machine Reactor Structure Deck* and *Dinosmasher’s Fury Structure Deck*.

The *Machine Reactor Structure Deck* uses the popular “Gadget” series of monsters, most recently seen in *Movie Pack Gold Edition*, to power up gargantuan “Ancient Gear” monsters. You can add your **Gold Gadget** and **Silver Gadget** from the *Movie Pack* to this Deck to help Summon the new **Ancient Gear Gadget** – a monster that belongs to *both* themes and turns this Deck’s ace monster, **Ancient Gear Reactor Dragon**, into a 3000 ATK double-attacking, defense-piercing, card destroying behemoth!

The Ancient Gear theme first debuted in *Yu-Gi-Oh! GX*, the animated series that put Fusion Summoning at the forefront, so the *Machine Reactor Structure Deck* can be enhanced further with “Ancient Gear” Fusion Monsters from *Raging Tempest* and an upcoming Spell Card from *Maximum Crisis* that will let you Fusion Summon and Tribute Summon using the same 2 monsters in the same turn!

For those of you who prefer natural history over mankind’s machinations, the *Dinosmasher’s Fury Structure Deck* provides the ultimate prehistoric Dueling experience! It’s survival of the fittest, and only the strongest cards in your Deck will make it. The rest will be food for the apex predator, **Ultimate Conductor Tyranno**, a 3500 ATK monster that can send all enemy monsters cowering in fear before devouring them all in a single Battle Phase!

This Deck is adept at Summoning multiple Dinosaurs of the same Level at the same time, and most of those monsters are Level 4. That makes this Deck a perfect fit for Xyz Summoning! *Duelist Saga* and *Maximum Crisis* both have great Rank 4 Xyz Monsters that are perfect fits for this strategy.

Each Structure Deck comes with a 41-card Main Deck and 1 Token Card for a total of 42 cards.

**Each *Machine Reactor Structure Deck* contains:**

36 Commons, 3 Super Rares, 2 Ultra Rares, 1 Ancient Gear Token, 1 Beginner’s Guide, 1 Double-sided Deluxe Game Mat/Dueling Guide

**Each *Dinosmasher’s Fury Structure Deck* contains:**

36 Commons, 3 Super Rares, 2 Ultra Rares, 1 Jurraegg Token, 1 Beginner’s Guide, 1 Double-sided Deluxe Game Mat/Dueling Guide

Case Item: 83277

Display Item: 83276
