

Ravnica: Inquisition

The fate of Ravnica hangs in the balance!

Join the **Gatewatch** or pledge your loyalty to **Nicol Bolas** in **Ravnica: Inquisition**, a social deduction game set on the **Magic: The Gathering** plane of **Ravnica**. Each player takes on the role of a representative of a **Ravnican Guild** that is either loyal to the **Gatewatch** or an **Agent of Bolas**. The **Gatewatch** loyalists are tasked with discovering who the **Agents of Bolas** are, while the **Agents of Bolas** simply need to survive in order to further the schemes of **Nicol Bolas**.

Players will elect leaders for each of the 5 colors, but only players whose guild's color pair contains the color may be voted for. Each color leader has a special power they can use to further their goals, so players must be careful when voting, lest Nicol Bolas' influence grow. Once all the color leaders have been elected, a vote is held to eliminate 1 player. Once the dust has settled, players will reveal their roles, and if the Agents of Bolas were eliminated, the Gatewatch wins!

A social deduction game for **5-10 players**, **Ravnica: Inquisition** is great for both fans of party games and fans of **Magic: The Gathering!**
