

YU-GI-OH! 2018 MEGA-TINS

DISTRIBUTOR FACT SHEET
ITEM ORDER NUMBER: 83898

The *2018 Mega-Tins* bring the heat this Summer with some of the past year's most popular cards AND brand-new cards designed specifically for these Tins! Each Tin includes three 16-card Mega-Packs containing cards from *Maximum Crisis*, *Code of the Duelist*, *Circuit Break*, and *Extreme Force*. These Mega-Packs use the traditional "1 card of each foil rarity" plus a Rare and 12 Commons configuration native to the Mega-Tins, and all cards appearing in the Mega-Packs will be included in their original booster set rarity.

Each *2018 Mega-Tin* will also include additional non-randomized variant cards, as well as one unique new card designed specifically for that Tin! These new cards are based on the Decks used by Jaden and Yusei, the heroes of the *Yu-Gi-Oh! GX* and *Yu-Gi-Oh! 5D's* manga and animated series respectively, and are depicted on the Tins with the characters.

- For Jaden, master of huge comebacks, a new "Elemental HERO" Contact Fusion that can refill your hand, negate a card's effect until the end of turn, and banish everything on the field! A special Spell Card to help support this new Elemental HERO will be included in an upcoming product.
- For Yusei, who makes the most of every card in his Deck, look for a new Synchro Monster that fills your field with Tuner monsters! It can also double its ATK when battling a monster the same turn you Synchro Summon it.

Each *2018 Mega-Tin* is sold separately.

Keep watch on the Yu-Gi-Oh! TRADING CARD GAME product page to find out what cards will be included in each Mega-Tin! <http://www.yugioh-card.com/en/products/tin-2018megatin.html>
